Casey Ledford, CNA

CONGRATULATIONS
To Casey for being selected as our Employee of theMonth for August. Casey has been with Lee Health and Rehabilitation since December of 2014. She has been invaluable to our staff, filling in on any shift, any floor wherever or whenever she is needed. We appreciate her commitment and dedication to providing the very best care for our residents.

Lola

Meet Lola, our canine visitor! She is a 2 ½ yr. old german shepherd who has been visiting with our residents for the past year. She is owned and handled by Morgan Province of Jonesville. Lola has made special friends with several of our residents here at Lee Health and Rehabilitation. She enjoys checking in with the Activities Department, who have a ready supply of cheese doodles. Recently, she has split her visiting time with her 9 month old brother Rico. He is still learning the ropes, and has not picked out his special human yet.
