LEE LIFELINE

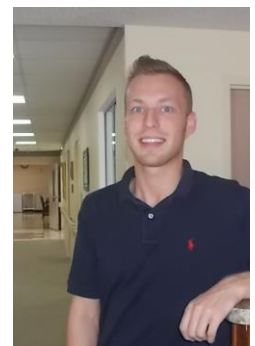

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

Administrators Desk

It's hard to believe that November is already here. Days seem to pass quickly when we are engaged in this busy, bustling, time we call life. Some days we need to slow down and reflect on all that we are thankful for. As I near the completion of my first 100 days, I would like to thank all of those who have been helpful. I am so appreciative of our caring and professional staff, who give the very best in care and support for our residents, their families and co-workers. They are the backbone of our center. Our team of physicians are only a phone call away, and we can count on them to be attentive to our resident health needs. I am thankful for our families who entrust us with the care of their loved one. Most importantly, our residents, for whom we are here to serve, and yet we learn so much about courage, perseverance, and life from them. It has been heartwarming to see the smiles, receive the kind words and outstretched hands. I am always available to meet with folks to discuss care or other concerns they may have.

Have a Happy Thanksgiving - *Daniel*

Try to be a
rainbow
in some ones
cloud.

Environmental Services-

With the changing of the seasons, we encourage family members to go through their loved ones closet and drawers. Please discard items that no longer fit or are in disrepair or stained. Clothing removed or added must be updated on the resident's inventory list.

Special thanks to Shirley Shackelford, who has been instrumental in cleaning closets and getting misplaced items back to their owners.

It got pretty HALLOWEIRD at LHRC on Friday, Oct. 30. Staff and residents had a grand time dressing up, playing spooky games and eating devilishly good snacks. Special thanks to all who help make our day special!

Dietary News –

Welcome Michelle Green, Rachael Adams and Kayla Dotson to our team! Our new Fall menu's will be starting in November. Please bear with us as we try new recipes, switch out items that are not popular, and do our best to satisfy 110 discerning palates. Every meal presents a challenge!

This Month's Birthdays

Resident Birthdays

Gladys Anderson 2
Mary Buell 3
Betty Young 4
Connie Duff 8
Madeline Burgner 13

Juanita Harber 18
Jean Collins 21
Virgil Greene 26
Betty Ball 29

Staff Birthdays

Jimmy Stapleton 3
Misty Kilbourne 4
Angela Baker 8
Kathy Parsons 11
Kaela Baker 12
Sabrina Perkins 13
Melissa Tabor 18
Rachel Petrey 21

Stars of the Month

Cari Barber, CNA

Congratulations to Cari Barber, as she was selected as an Employee of the Month for November by the residents of Lee Health and Rehab. Cari has been a CNA with us since August. Many residents state that Cari is so sweet and readily available to help with anything they need.

Keith Cowden, RN

Congratulations to Keith Cowden, as he was selected as Employee of the Month for November by the residents of Lee Health and Rehab. Keith has been an evening supervisor with us since September. Keith has proven himself to be a great asset to the staff and residents during the evening shifts.

Upcoming Events

Health Talks

November 10 - Senior Medicare Patrol Program

Jennifer Spangler, VICAP coordinator with MEOC

11:30-12:30 Conference Room, light lunch provided

Activity Adventures –

Several residents were able to travel with the activity department to the Lee Theatre on Tuesday, Oct. 20 for a movie. The feature presentation was 'Coal Miners Daughter' starring Sissy Spacek. It was a beautiful afternoon to be out, and all residents enjoyed the movie, drinks and popcorn. Special thanks to Sherry Allen's LPN nursing class from LCCTC, who assisted us.

The Lee County Garden Club visited on Oct.13 to ready the activity courtyard for the winter. They maintain an organic herb garden for 'healing, beauty and aroma'. Several members were on hand to remove summer marigolds and trim back the other plantings. They have planted purple and yellow pansies, which should be viable for the upcoming winter months.

Cinnamon, sweet basil, chives, dill, parsley, lavender and rosemary are some of the culinary herbs available.
