LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

Administrators Desk

Lee Health and Rehabilitation will be celebrating their 15th Anniversary on Saturday, August 6. I have had the privilege of working in the long term care field for at least that long and have seen a lot changes. I never thought our nurses would be performing EKG's, starting IV's with complicated medications, or doing tracheostomy care. We use to do everything with pen on paper, pull charts, search through hundreds of pages to find the one we are needing. With the advancement to Electronic Medical Records, healthcare professionals can find and document pertinent information, and our physicians are able to see vital signs, medications and status updates in real- time.

Our Physicians are much more in tune to their patient's needs, with some physicians visiting daily, others weekly. Fifteen years ago, the physicians were in our center every other month. Our physicians have taken an active role in teaching new skills to our nursing staff and it is evident in the quality of day to day care we are providing.

The need for a return to the hospital is greatly reduced due to these advancements and skills. You can have confidence in knowing that the team at Lee Health and Rehab. is equipped to care for your loved one, and has access to technology that enable us to treat acute illness and episodes here.

We welcome the opportunity to tell you more about all of the things we can do!-Honor

Mosquito is out,
It's the end of the
day,
She's humming
and hunting,
Her evening
away.

Who knows why
such hunger,
Arrives on such
wings,
I guess it's just
the nature of
things.

-N.M. Boedecker

Stars of the Month

Part of the mission team from Troutville Baptist Church, Troutville Virginia, were our guests July 18-21. They bring a large group to the county to do home repairs, block parties, backyard bible camps and provide a week of Vacation Bible School activities for our residents and patients. Teaching, music, games, and crafts, our residents were given the opportunity to experience the wonder and joy of Vacation Bible School once more.

Troutville Baptist Church has provided VBS for us the past 4 years. We truly appreciate their support and enthusiasm each year!
