Administrators Desk

Hello everyone! Fall is upon us and soon the weather will cool and the leaves will change. This is my favorite time of the year. There has been a lot going on at Lee Health and Rehab. We have several new employees, and are blessed to have them as part of TEAM LEE! I am almost finished with my Administrator In Training program. I am so thankful for all of the prayers, words of encouragement, and support. I appreciate Honor Chriscoe, who has spent the past 6 months training, building my confidence and knowledge, and just being patient throughout this entire program. Honor has laid the foundation for me to build upon - aggressive, progressive and compassionate care and services for our community. Our success is due in part from several employees accepting the challenge of extra responsibilities, stepping up and stepping in, ensuring an outstanding continuum of care for every resident and patient. I have been with Lee Health and Rehab. the past 8 years, and am excited to see what the future holds for our Center. It is the goal of all CCR Centers to provide peace of mind to those we care for, our residents, patients, families and staff!

Please feel free to stop by and say hi! My door is always open.

-Tammie

Introducing Kitty Kiser

Kitty is our new Admissions/Marketing Director here at Lee. Kitty has over 25 years in a broad spectrum of health care sales and marketing services. She attended Mountain Empire Community College, and is well known throughout southwest Virginia and the Tri-cities areas.

Kitty lives in Bristol, loves the outdoors and anything water related!

We encourage families and friends to stop in and say hello.

We would like to extend a special Thank You to all who made our 15 Year Celebration a huge success!

Tom Ely is to be commended for providing the pulled pork, and the Sycamore Hollow Band played the right combination of country and gospel to keep all of the guests toe tapping and hand clapping! The Pennington Gap Volunteer Fire Department did a great job keeping the kids entertained with water sprays and bubbles.

Gary Byington was the winner of the Fire Pit and accessories.
You will find lots of photos from our celebration on page 4 of this issue.

Activity Adventures

The real Olympics were played in the city of Rio, but that didn't dampen our spirits for the games! Throughout the month of August, we offered a 'Decathlon' of Olympic worthy games for the staff and residents to test their mental and physical skills. Several started, but only a select few were able to complete all 10 events. Some of our Olympic Highlights are below!
