# LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

## Administrators Desk

New beginnings, fresh starts, promises of a brighter future all come to mind as we ring in this New Year! There may be superficial, yet purposeful promises we make to ourselves, to get in shape, to lose weight, or to improve our life path. Then, we have heartfelt promises we avow for others. To love and care for those in need, to seek out lasting relationships, to learn from and share our knowledge and experiences to benefit others. The New Year is a time of celebration and cheer, to reach out and be an encouragement for others. Whether our families are living nearby or far away, we send wishes for prosperity, health and most importantly, happiness.

May you find fulfillment, joy and adventure all year long! -Tammie

You're off  
to great  
places!

Today is  
your day!

Your  
mountain is  
waiting,

So get on  
your way!

- Dr. Seuss
