

LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

Write it
on your
heart that
every day
is the best
day in the
year!

-Ralph Waldo Emerson

Administrators Desk

AHHHH, February!

This will be a busy, busy, month.

We have a new President of the United States.

Groundhog Day will determine if we have an early spring or if it will come on March 20, as planned.

Valentine's Day is set aside to spend time with the ones we love. Presidents Day gives us an opportunity to remember and reflect on former presidents who forged and formed our great nation. Rounding out the shortest month of the year, we celebrate Mardi Gras, with our annual center wide parade!

We pray the New Year has been grand so far and we invite you to be a part of all of the exciting things we have planned throughout the rest of the year.

-Tammie

Blood Drive Wednesday, February 22 1-4pm

Approximately 40,000 pints of blood are used EVERY day in the United States.

1 out of 7 people entering the hospital will need blood.

1 donation has the potential to save 3 lives.

3 teaspoons of blood can save a baby's life.

Blood lasts for 42 days.

Platelets last only 5.

Blood donors can give every 8 weeks
