

LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

Let your

Administrators Desk

May flowers are blooming in abundance, and brings the promise of warmer and longer days. We find ourselves becoming busy with outdoor chores and sprucing things up. Our residents and patients have been able to enjoy the sunshine in our courtyards and porches. Spirits are lifted and motivation is renewed. There is a sense of renewal in the soul!

As we begin this season, we would like to invite families and friends to join us during National Nursing Home Week, May 14-19. This years theme, 'The Spirit of America' will be reflected in special programs highlighting our support for the folks that built this country. Our residents, patients, volunteers and staff represent a plethora of knowledge, skills, ambitions, and careers that make this nation great. Every day will focus on a specific aspect of accomplishment, from industry, education, to family and service, and ending with the wonder of unknowns in our world. We hope you enjoy the time spent with your loved one in our center.

As always, our doors are open and we are available to meet with families to discuss any questions you may have about the services provided by Lee Health and Rehabilitation.

Enjoy the day!

-Tammy

Linda Dotson joined our team in April as the new Admissions/Social Services Assistant. She is available to assist new families and patients with any questions or concerns they may have regarding Lee Health and Rehabilitation. Linda has been an integral part of the team since 2014, beginning as a CNA, and moving to Business Office Assistant. Linda lives in Jonesville, enjoys being outdoors in the sunshine and spending time with her grandchildren.

The Activity Department is currently searching for church, civic groups, or individuals with a desire for volunteer service.

We are looking for folks willing to commit one day a week, two days a month or one time a month, engaging residents on our Cumberland unit with social and recreational programs.

Please contact Laurie Hawkins in the Activities Dept. for further information.

The Easter Bunny paid us a visit during the week of April 10th. Residents, families and staff were able to take advantage of a great photo opportunity. The festivities culminated with an Easter Egg Hunt for residents. Approximately 600 eggs, each one filled with a prize, was scattered throughout the hallways, lobby, and Cumberland unit. We appreciate the staff and families who assisted their loved ones in finding eggs. A special thank you is sent to the Ladies Group from First Christian Church in Pennington Gap for helping us obtain candy, chips, cakes, jewelry, and other prizes. The Activities Department was also honored to have Braelyn Lewis help us with setting out and 'hiding' all of the eggs.

National Nursing Home Week
May 14-20, 2017

Every nursing care center embodies a unique and vibrant spirit and community for residents, patients, volunteers and staff.

During our special week, we will be celebrating the talents and accomplishments of those that we care for and show our support for the folks that built our great nation with the strength of their back and the sweat of their brow. Family and friends are invited to join us each day for a special program.

We believe that the true 'Spirit of America' is found in the legacy of the lives and experiences of those we care for daily.
