

LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

“December’s
wintry breath is
already clouding
the pond,
frosting the
pane,
obscuring
summer’s
memory...”

-John
Geddes

2017 is almost to the end. There are memories and sorrows that have been experienced and shared throughout this year. So many folks become disillusioned during this time, filled with longings for days past, remembering simpler times and the wonder and beliefs of a child. As Virginia O’Hanlon was reminded, back in 1897:

‘Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life it’s highest beauty and joy.’

Our wish at Christmas is always for Peace, worldwide, as well as our own backyard. May you all be richly blessed with love and compassion for yourself and others. Discover and uncover your inner beauty and joy, sharing it with those in need.

We are thankful for each day we are given and for the opportunity to touch and make a difference in someone else’s life. Merry Christmas to all.
