

LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

A New Year
is on it's
way and
the
possibilities
are
endless!

Pieces of Time

*New Years come,
and New Years go,
pieces of time, all in a row.*

*As we live our life,
each second and minute,
we know we're privileged
to have you in it.*

*Our appreciation never ends
for our greatest blessings:
Family and Friends.*

January Fun Facts

January is Weight Loss Awareness Month, which conveniently coincides with Oatmeal, Slow Cooker, Soup and Baking Month.....Sounds like a conspiracy to me.....

January is historically the coldest month in the northern hemisphere and the warmest month in the southern hemisphere.

Benjamin Franklin was born in January. He was a world-renowned statesman, inventor, scientist and was fascinated by agriculture. He is considered to be the 'Father of the Almanac'!

REMEMBER

During the Christmas season, patients and residents receive new clothing and other personal items. Please be sure to mark all items with a laundry pen. These are available at each nurses station.

Please check other clothing to be sure the name remains legible.

Santa's Visit

Thank You to all of the staff, families,
churches and individuals that helped
make our Christmas
BRIGHT !
