

LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

“It’s what you’ve done with your time, how you’ve chosen to spend your days, and whom you’ve touched this year. That, to me, is the greatest measure of success”

-August Pullman

Administrators Desk

My name is Doug Wright and I have taken Tammie Yeary’s place as Administrator, here at Lee Health and Rehab.

I am originally from Chilhowie and am a graduate of ETSU.

My wife Kate and I have three children, Rachael, a graduate of Washington and Lee University, Justin, who is currently serving in the U.S. Marine Corp, and Will who will be a freshman at the University of South Carolina.

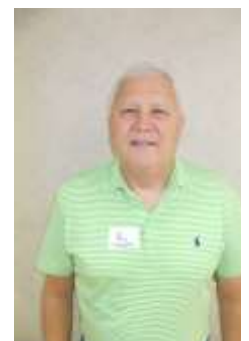

Kate and I have recently relocated to Abingdon from Roanoke, where I have spent the last 29 years in the healthcare field.

I am very excited about my time being spent here at Lee and working with this great team of committed and caring individuals. It is truly a blessing to be a part of TEAM LEE and continue the tradition of quality care for all.

I will be directing Ashley Jones, RN, in the Administrator In Training program, with her becoming Administrator at Lee Health and Rehabilitation in early 2019.

I would also like to announce that Rebekah Rutledge, RN, will be assuming the role as the Director of Nursing.

Many thanks to all who have made me feel at home.
May God bless each and every one - Doug
