# LEE LIFELINE

A PUBLICATION FOR PATIENTS, RESIDENTS, AND FAMILIES

## September Song

Oh, it's a long, long while  
From May to December  
But the days grow short  
When you reach September.

When the autumn weather  
Turn leaves to flame  
One hasn't got time  
For the waiting game.

Oh the days dwindle down  
To a precious few...  
September, November...  
And these few precious days  
I'll spend with you.  
These precious days  
I'll spend with you.

-Kurt Weill

Labor Day is celebrated the first Monday in September. It is dedicated to the economic and social achievements of employees in the United States. The first Labor Day parade was held in New York's Union Square in 1882.

Constitution Week is September 17-23. The primary aim of the Constitution was to create a government that would be powerful enough to run the country, but would not impose on people's or state's rights.

Autumnal Equinox will occur on September 23. This is the moment that the sun crosses the equator from north to south.
