Administrators Desk

Christmas is upon us!

It is a beautiful time of year and the Center takes time to honor and enhance that beauty. This year we are hosting a 'Trim Your Tree' event. Local businesses and affiliations were given the opportunity to place a tree representing their vocation in our center. We have had great interest, and families and friends are invited to wander the hallways and common areas, to view the beautiful trees. We plan on making this an annual event.

Lee Health and Rehab. strives to make a positive impact not only on our patients and residents, but the community as well. Our staff organized and delivered complete Thanksgiving meals for 15 families in November. We also had a lunch sale with proceeds benefitting the Samaritan's Purse Shoebox Ministry. Two of our staff members were fortunate enough to travel to Boone, North Carolina, to volunteer at the area processing warehouse.

It is our pleasure and goal to serve those who need rehabilitation or long term care, close to home.

We welcome inquiries and offer tours of our Center.

We wish you all a blessed Christmas season!

-Ashley
