Happy February!!!!

I am thrilled to announce that effective February 1st, I have the privilege of becoming the acting Administrator for Lee Health and Rehab! I have been blessed to work here for 9 years and I will continue to serve this center to the best of my ability. My training should be complete in March, and then I will be scheduled to sit for the licensure exam. I appreciate your thoughts, support and prayers as

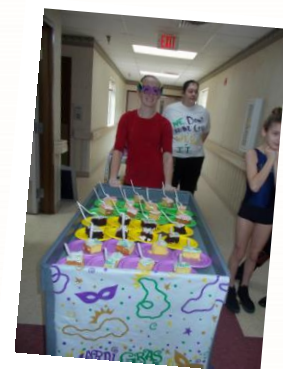

I work toward this goal. I am equally as thrilled to announce that Rebekah Rutledge, is the new Director of Nursing. She is a tremendous asset to the center and I look forward to seeing her successes.

Please feel free to stop by and see us anytime – our doors are always open!

-Ashley

Visits with your loved one are very important...

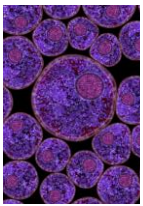

With the cold and flu season rapidly approaching, we need to stress the importance of limiting exposure of these serious virus' to our residents and patients.

If you are not feeling well, or have been exposed to someone who has had a recent illness,

PLEASE DO NOT VISIT!

It can be catastrophic to those with compromised immune systems.

Thank you

What a pleasure it has been to be affiliated with Commonwealth Care of Roanoke and Lee Health and Rehab Center.

My time here as Interim Administrator has drawn to a close, but I will never forget the residents, staff and family members I have met. Team Lee is made up of some of the most dedicated, caring individuals I have ever been associated with in my healthcare career. They are constantly striving to provide quality care for all on a consistent basis. I am proud to have witnessed firsthand their enthusiasm and commitment and what their individual talents bring to the Center each day. They truly care about our patients and residents, and each other. This is a blessing for all. Praise the Lord!

I have been privileged to mentor and encourage Ashley Jones, as she accepts her new role and transitions from Director of Nursing to Administrator. She brings a wealth of nursing experience that will serve her well as she takes her profession to the next level. Please give her your full support as she leads Team Lee into the future.

I realized some years ago, that our lives are like chapters in a book. It's time for me to close my chapter, as Ashley and Team Lee open the next. Until we meet again... May God bless each and everyone of you!
