Administrators Desk

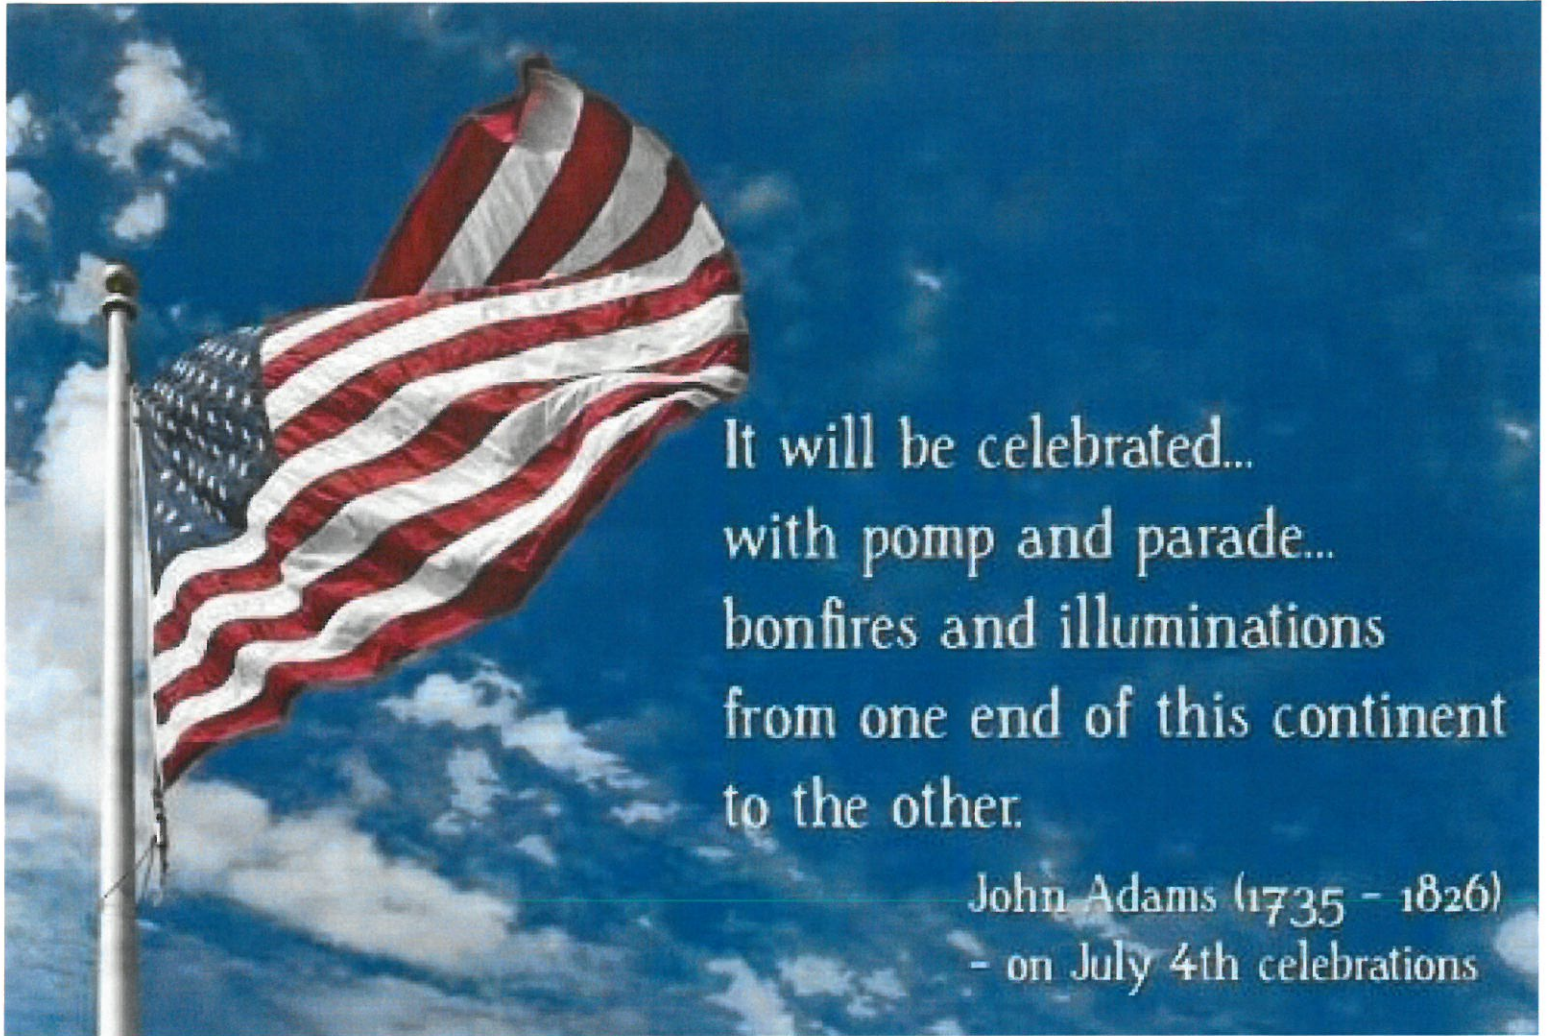

I am thrilled to announce that effective June 14th, I am an officially Licensed Nursing Home Administrator! I thank you for all of your support and prayers along the way.

We will soon be offering mobile dentistry again, at the center, through Coastal Dental. We look forward to partnering with this company to better serve our residents.

Our nursing team continues to grow and strengthen their clinical capabilities to provide additional services in our center. We will always strive to be a leader in healthcare services for our community.

Hello!

My name is Sarah Blust and I have recently taken over the role of Assistant Director of Nursing here at Lee Health and Rehab. As for a little information about myself, I am a highly motivated individual with a strong passion for nursing and the individuals I am caring for. I am married to my best friend and a mother to a wonderful little girl.

I completed nursing school in 2014 with my Associates Degree from Mountain Empire Community College and obtained my Bachelors Degree from Chamberlain University in early 2019.

As far as my professional background, the majority of my career has been in the medical/surgical and intensive care areas of hospitals as both a registered nurse and a clinical coordinator.

Prior to beginning my position at Lee Health and Rehab., I was the nurse manager of an acute inpatient rehab unit for almost a year.

I am thrilled to begin my journey here with TEAM LEE!

Welcome to TEAM LEE

I am Lisa Gilliam, the new Human Resources Generalist at Lee Health and Rehab.

I am very excited to start a new chapter of my life with Lee Health and Rehab.

Lee County is my home, and very dear to my heart. The Lord has blessed me with an amazing family, husband Bruce, of 25 years and sons Brennan and Nicholas.

I am looking forward to meeting our patients, residents and their families and working with our staff to provide exceptional HR services as their needs arise.

God Bless You
